Upon acceptance of my child at the school, I undertake to pay the fees in advance on the first day of each term or month, according to the payment structure I agree to. A full term's notice is required of the intention to withdraw a child, failing which the parent is liable for fees in lieu of notice.

My child may take part in the curricular and extra-curricular activities of the school, including games, educational tours, and although every reasonable precaution will be taken to ensure the well being of my child, I hereby indemnify the school, it's proprietor, employees and owner of the land on which the school is situated, against any claims which may rise as a result of injury or accident.
